By W. J. Macbeth

George W. Loft's Donnacona won the Mount Kisco Stakes, the feature event of the racing entertainment at Empire City, yesterday afternoon.
Donnacona was the odds-on choice of a field of three that went to the post. Kasmir and Lunetta were scratched out of the original field of five. Barrett, who had the leg up on the favorite, won just about as he pleased. He laid off Sea Mint's early pace, crowded to the front in the run around the far turn and simply breezed the rest of the way home.

By Ray McCarthy

Jim Barnes, the tall and wiry golfer of the Sunset Hills club, of St. Louis, who has been gaining a lot of notoriety for himself of late by virtue of stellar performances, is out in front in the competition for the metropolitan open championship. Which means nothing at all, with three more rounds to be played. Nevertheless, it is very interesting to know that Long Jim is leading the crowded field, which numbers more than a hundred, having turned in the remarkable score of 69, the competitive course record of the Greenwich Country Club, in the first round yesterday.

Willie MacFarlane, of the Hempstead Club, is tied with Hagen with a score of 71, but whether he can continue this pace is questionable. Wilfrid Reid, of Wilmington; Charles Hoffner, of Belmont; J. D. ## Americans Beat Belgians Easily In Olympic Polo

OSTEND, Belgium, July 28 .- The American polo team defeated the Belgians, 13 to 3, in the Olympic contests this afternoon, rolling up a bigger score than the British team did against the Belgians on Monday,

when the tally was 8 to 3. The Belgians rode hard, but were decidedly outplayed in team work. The mallet skill of the Americans was much improved over that in the Sunday game against Spain, despite mediocre mounts.

The line-up of the Americans was as follows: No. 1, Captain Arthur Harrie; No. 2, Captain Terry Allen; No. 3, Colonel John C. Montgomery;

outs for Marathon runners, cyclists and sprinters have been transferred to the sick bay and upper deck cabins by consent of the transport officers. Dress and competition uniforms were distributed this evening. They consist of a blue flannel coat, a cap with an American shield, white flannel trousers, white shoes, white jersey shirt with embroidered shields and white trunks with red, white and blue seam bands and border.

Two stowaways have been discovered aboard the transport. One of them is John Norton, of Toledo, who was also a stowaway on the Finland when the American Olympic team sailed in 1912. At that time he was made mascot of the team. Norton has signed as a waiter on the transport and will accompany the team to Antwerp.
